

Kelsey-Seybold's Main Campus at 2727 West Holcombe Boulevard, near the Texas Medical Center is one of 20 locations close to home and work (see other side).

KelseyCare

powered by CIGNA 

Product Overview

- Select network health benefits plan offering a proven, high-performance network delivering coordinated care on the CIGNA Healthcare benefits platform. The Kelsey-Seybold Clinic network includes more than 350 Kelsey-Seybold physicians at 20 locations throughout the region (see location map on the other side), and more than 1,800 affiliated physicians selected by Kelsey-Seybold physician leadership for quality care.
- Available to employers with a minimum of 50 employees working in the greater Houston area.
- Model based on the delivery of high quality, “evidence-based” medical care in which physicians in multiple specialties share information and coordinate care on behalf of patients.
- Available on both self-funded and fully-insured basis.

Benefits

- High enrollee satisfaction (Consumer Assessment of Healthcare Providers and Systems Survey, 2005, 2006, 2007 and 2008).
- Proven ability to effectively manage the “entire cost of care” through a coordinated-care delivery model. According to Hewitt Associates, KelseyCare is the “most financially efficient HMO plan in the Houston marketplace” with an average savings of 15-20 percent. (Hewitt Associates Health Value Initiative National Benchmarking Survey, 2004, 2005, 2007, 2008 and 2009).
- Hewitt’s benchmarking study shows savings of 15-20 percent delivered by KelseyCare, as compared to market costs in the greater Houston region.
- Highly Personalized, exclusive Concierge Service.
- Aligns with Consumer Directed Health Plans – Kelsey-Seybold physicians act as advisors to patients regarding medically necessary, evidence-based treatment options. Protects enrollees from uncontrolled utilization of health care resources.
- Highly-focused on prevention, intervention and local physician-directed disease management and case management.
