

Chris Chon, MD
Chief of Urology

March 11, 2022

Dear Kelsey-Seybold Patient:

There will soon be a change in my clinical presence and availability. Beginning Thursday, March 24, I will begin caring for patients at Kelsey-Seybold's Pasadena Clinic for two Thursdays during each month.

Moving forward, I will care for my patients at Spring Medical and Diagnostic Center every first, third, and fifth Thursday of each month.

My schedule will be as follows:

1. Pasadena Clinic: the second and fourth Thursday of each month.
2. Spring Medical and Diagnostic Center: the first, third, and fifth of each month.
3. I will be available for after-hours Video Visits between 6 p.m. and 8 p.m.

You may have met my physician assistant **Allison Panganiban**, MPAS, PA-C. If I am unavailable, you can confidently make an appointment with Allison. She can see new patients, do follow up visits, conduct physical exams, request or refill prescriptions, and get you current on immunizations. Allison currently sees patients at our Spring location on Wednesdays and Thursdays. She will follow my new clinic rotation at Pasadena, the second and fourth Thursday of each month.

In the future, should I become unavailable at SMDC, my two outstanding Urology colleagues will provide excellent healthcare:

1. **Michael Pan**, MD, on Wednesdays and Thursdays
2. **Evan Wenker**, MD, on Wednesdays

To learn more about these and other physicians, view their biographies and video profiles at kelsey-seybold.com/bios, where you can search for a physician by name, location, and specialty.

Thank you for choosing Kelsey Seybold Clinic. It is my privilege to be entrusted with your healthcare.

Sincerely,

Chris Chon, MD
