Internal Medicine

*I'm moving my practice to Kelsey-Seybold's new Westchase Clinic on Sept. 26.*

August 4, 2022

To My Dear Patients:

Effective Monday, **Sept. 26**, I am transitioning my medical practice to Kelsey-Seybold's new Westchase Clinic, where I will proudly serve as managing physician. My last day caring for patients at The Vintage will be Thursday, **Sept. 15**.

Please schedule future appointments with me at our new 22,500-square-foot clinic at **11284 Westheimer Road** (77042), across from the new Houston Community College Alief Campus. This new clinic will provide comprehensive healthcare for adults and children. Learn more about this new clinic at **kelsey-seybold.com** and search **Westchase**.

Rest assured that your secure electronic medical record remains immediately available to me at my new location.

I understand it may be more convenient for some of you to continue at The Vintage Clinic. If so, my Adult Medicine colleagues there will make every effort to help ensure your healthcare needs are met with as little interruption as possible. For your consideration, I am listing brief biographies of my colleagues at The Vintage for your review. You can view their complete biographies and video profiles at **kelsey-seybold.com/bios**, where you can search for physicians by name, medical specialty, clinic location, languages spoken, and gender.

For personalized assistance in choosing a new Kelsey-Seybold provider, call our **Patient Help Line** at **713-442-1233**, and Sandy or Thelma will assist you. KelseyCare Advantage patients may call **KCA Member Services** at **713-442-2273**. These lines are staffed Monday through Friday, 8 a.m. to 5 p.m.

Thank you for trusting your healthcare to me. I look forward to continuing to care for your health at Kelsey-Seybold Clinic – Westchase.

Sincerely,

*Shelley Li, MD*
