

Benafsha Irani, DO
Family Medicine

January 4, 2022

To My Dear Patients:

As you may know, I am transferring my medical practice to **Kelsey-Seybold – South Shore Clinic** opening Monday, **Feb. 7, 2022**, the same day I'll begin caring for patients there. My last day at Clear Lake Clinic will be **Friday, Feb. 4**.

It would be my privilege to continue providing your healthcare at our new South Shore Clinic, conveniently located at 201 Enterprise Ave., Suite 800, League City (77573). For more information about our new clinic, visit **South Shore Clinic | Kelsey-Seybold**.

I can understand how some of you may prefer continuing your care at Clear Lake Clinic. If so, I assure you my Adult Medicine colleagues there will attend to your healthcare needs with as little interruption as possible. **Your healthcare is important to me. You should always have a primary care physician to help keep you healthy and treat any evolving health issues before they become more serious.**

For your convenience, I've included brief biographies of my Clear Lake colleagues. You can review their complete bios and video profiles at **kelsey-seybold.com/bios**, where you can search for a physician by name, location, and specialty. There's no need to fill out additional paperwork; Kelsey-Seybold physicians and medical staff have immediate access to patient histories through our electronic medical record system.

If you wish to obtain your records pertaining to clinical visits with me, you may request them by calling the Medical Records Department at 713-442-5700 and filling out a Release of Healthcare Information Form.

I look forward to continuing your healthcare at Kelsey-Seybold's new South Shore Clinic.

Sincerely,

Benafsha Irani, DO

Coming Soon!

*An even newer Kelsey-Seybold Clinic will open at South Shore Harbor
with added diagnostics services.*

Adult Medicine physicians welcoming new patients at Clear Lake Clinic

Family Medicine
