To My Dear Patients:

I regret to inform you of my departure from Kelsey-Seybold Clinic. This was a difficult decision because it has truly been an honor to work at Kelsey-Seybold and care for you. I have gotten to know many of you over the last several years and will miss being a part of your healthcare team. My last day as a member of the medical staff will be Friday, **February 4, 2022**.

Your new Kelsey-Seybold dermatologist will make every effort to help sure your dermatological needs are met with as little interruption as possible. There's no need to fill out any paperwork. Kelsey-Seybold's electronic medical record system allows your records, including notes I've made regarding your future care, to be immediately available to other Kelsey-Seybold physicians and medical staff.

You and your health are important to me, ***I strongly recommend you choose a new Kelsey-Seybold dermatologist without delay to help ensure your skincare continues with as little interruption as possible.*** To facilitate this, I've included brief biographies of Kelsey-Seybold dermatologists for your consideration. To view their complete bios and video profiles, visit **[kelsey-seybold.com/bios](http://kelsey-seybold.com/bios)**, where you can search for a physician by name, location, and specialty.

For prescription refills before your next appointment, ask your pharmacist to call the number on your prescription label, or visit **[kelsey-seybold.com/pharmacy/prescription-refills](http://kelsey-seybold.com/pharmacy/prescription-refills)**.

If you wish to obtain your records pertaining to in-clinic visits with me, you may request them by calling the Medical Records Department at 713-442-5700, and filling out a Release of Healthcare Information Form.

Thank you for entrusting me with your dermatological care. I wish you all the best.

Sincerely,

*Sunaina Likhari, MD*
