

Sara Ashraf, MD

Hematology/Medical Oncology

August 19, 2022

To My Dear Patients:

Due to family considerations, Friday **Sept. 9, 2022**, will be my last day caring for patients as a member of Kelsey-Seybold's medical staff.

This has been a difficult decision; however, my husband and I have concluded this change is necessary to create a better situation for raising our young children. The Hematology/Oncology group at the Kelsey-Seybold Cancer Center continues making remarkable achievements in cancer care, and it's hard to step away from this bright future.

For questions and personalized assistance regarding your future care, including prescription refills before your next appointment, phone the Hematology/Oncology Department at **713-442-1080** during weekdays between 8 a.m. and 5 p.m. Our clinical team will transition your care, as needed, to another provider for future appointments.

Rest assured you will receive the same compassionate care the cancer center is known for.

I am so honored to have had the opportunity to be at Kelsey-Seybold. Thank you for giving me the opportunity to serve as part of your healthcare team.

I wish you and your family the very best.

Sincerely,

Sara Ashraf, MD
