

Jenny Yeh, MD
Dermatology

December 19, 2021

To My Dear Patients:

For personal reasons, I will be relocating overseas. My last day to care for patients as a member of Kelsey-Seybold's medical staff will be **Jan. 20, 2022**.

Your new Kelsey-Seybold dermatologist will make every effort to help make sure your dermatological needs are met with as little interruption as possible. Kelsey-Seybold's electronic medical record system allows your records, including notes I have made regarding your future care, to be immediately available to other Kelsey-Seybold physicians and medical staff.

I've included brief biographies of Kelsey-Seybold dermatologists for your consideration. To view their complete biographies, including video profiles, visit **kelsey-seybold.com/bios** and enter the physician's name.

For prescription refills before your next appointment, ask your pharmacist to call the number on your prescription label, or visit **kelsey-seybold.com/pharmacy/prescription-refills**.

If you wish to obtain your records pertaining to in-clinic visits with me, you may request them by calling the Medical Records Department at 713-442-5700 and filling out a Release of Healthcare Information Form.

Thank you for entrusting me with your dermatological care.

Sincerely,

Jenny Yeh, MD
