Interventional Pain Management
Berthelsen Main Campus
Fort Bend Campus

Dear Patient,

I am writing to inform you that **Friday, May 31**, will be my last day at Kelsey-Seybold Clinic, after 20 years of caring for my patients here. It has been an honor and privilege to be your Interventional Pain Management physician, and I have enjoyed the relationships we have built over the years.

I encourage you to establish care with one of my trusted Kelsey-Seybold colleagues in Interventional Pain Management. All Kelsey-Seybold physicians will have immediate access to your health history and medical record, and I have immense trust in the care they will provide you.

I have included brief biographies for physicians caring for patients at nearby Kelsey-Seybold Clinic locations. You can also view their online profiles and search for a Kelsey-Seybold physician at any location by visiting **kelsey-seybold.com/bios**, where you can search by physician name, location, specialty, or languages spoken.

If you would like help in selecting your new Kelsey-Seybold Interventional Pain Management physician, call our Patient Help Line at **713-442-1233**. If you are a KelseyCare Advantage member, call KCA Member Services at **713-442-2273** for help in selecting your new physician. You can call both lines weekdays between 8 a.m. and 5 p.m.

For prescription refills before your next appointment, ask your pharmacist to call the number on your prescription label, or visit **kelsey-seybold.com/prescriptionrefills**.

Thank you for trusting me with your care.

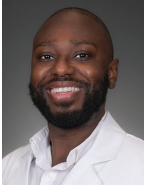

Sincerely,

Ahmed Sewielam, MD, FIPP
