

Ankita Trivedi, MD, FAAP
Pediatrics

February 15, 2024

Dear Patients,

I'm excited to announce the relocation of **Kelsey-Seybold's Tanglewood Clinic** to our new location less than two miles away at **6401 Woodway Drive**, tentatively scheduled to open on March 11.

Our new clinic will continue to provide comprehensive care, including Family Medicine, Internal Medicine, Pediatrics, Dermatology, Neurology, OB/GYN, and Rheumatology. The clinic will offer access to on-site ancillary services, including laboratory, X-ray, and EKG, and an extensive referral network for Kelsey-Seybold specialists with offices at neighboring clinics.

You may now begin scheduling appointments with me at the new clinic. Our team will make every effort to ensure there is little interruption in your medical care.

I appreciate the trust you have placed in my care over the years, and I hope you are as excited about our new location as I am.

For up-to-date information on our relocation, please visit our website at **kelsey-seybold.com/tanglewood**.

I look forward to continuing your medical care at our new Tanglewood Clinic.

Sincerely,

Ankita Trivedi, MD, FAAP
