Pearland Clinic

Dear Patient, Parent, or Guardian,

I am writing to inform you that **Friday, May 24**, will be my last day at Kelsey-Seybold Clinic, as I will be retiring after 30 wonderful years caring for my patients. It has been an honor and privilege to be your family's pediatrician, and I have enjoyed the relationships we have built over the years.

I encourage you to establish care with one of my trusted Kelsey-Seybold pediatric colleagues. All Kelsey-Seybold pediatricians will have immediate access to your child's health history and medical record, and I have immense trust in the care they will provide your family.

I have included brief biographies for pediatricians caring for patients. You can also view their online profiles and search for a Kelsey-Seybold pediatrician at any location by visiting **[kelsey-seybold.com/bios](https://kelsey-seybold.com/bios)**, where you can search by physician name, location, specialty, or languages spoken.
