

**Charlene Crockett, MD**  
Pediatric Ophthalmologist

Dear Patient, Parent or Guardian,

I am writing to inform you that Thursday, September 28, is my last day with Kelsey-Seybold Clinic. It has been an honor and privilege to be your family's pediatric ophthalmologist.

Continuing your child's medical care is important. I encourage you to choose their pediatric ophthalmologist with Texas Children's Hospital or Houston Eye Associates without delay.

If you are one of my adult strabismus patients, I encourage you to seek care from Houston Eye Associates.

You will need to obtain your or your child's medical records by calling the Medical Records Department at 713-442-5700 and filling out a Release of Healthcare Information Form.

For prescription refills before your or your child's next appointment, ask their pharmacist to call the number on their prescription label, or visit **[kelsey-seybold.com/prescriptionrefills](http://kelsey-seybold.com/prescriptionrefills)**.

Thank you for trusting me with your child's care.

Sincerely,

*Charlene Crockett, MD*
