

Debra Cutler, MD
Pediatrics

Dear Patient, Parent, or Guardian,

I am writing to inform you that **Friday, August 11, will be my last day with Kelsey-Seybold Clinic, as I will be retiring.** It has been an honor and privilege to be your family's pediatrician, and I have enjoyed the relationship we have built over the years.

Staying on schedule with your child's well visits and immunizations is important. I encourage you to choose your child's new pediatrician without delay.

Kelsey-Seybold will make every effort to ensure there is little interruption in your child's medical care. I have included brief biographies on pediatricians who are accepting new patients. You can view these physicians' online profiles at kelsey-seybold.com/bios, where you can search for physicians by name, clinic location, medical specialty, and languages spoken.

If you would like help in selecting your new Kelsey-Seybold pediatrician, call our Patient Help Line at 713-442-1233 weekdays between 8 a.m. and 5 p.m.

Transitioning your child's care to a Kelsey-Seybold pediatrician is easy, and once you transition your child's care, their new pediatrician will have immediate access to your child's medical history and notes.

If you wish to seek care outside of Kelsey-Seybold, you will need to obtain your medical record by calling the Medical Records Department at 713-442-5700 and filling out a Release of Healthcare Information Form.

For prescription refills before your next appointment, ask your pharmacist to call the number on your prescription label, or visit kelsey-seybold.com/prescriptionrefills.

Best wishes for your child's continued health.

Sincerely,

Debra Cutler, MD
