

**Eric Sandberg, MD**  
Allergy

Dear Patient,

I am writing to inform you that **Friday, February 16, 2024**, will be my last day with Kelsey-Seybold Clinic, as I will be retiring. It has been an honor and privilege to be your physician, and I have enjoyed the relationship we have built over the years.

Continuing your medical care is important. I encourage you to choose a new Allergy doctor without delay. The Allergy department has worked hard over the last two years to recruit additional outstanding physicians with excellent training to provide your future care.

Kelsey-Seybold will make every effort to ensure there is little interruption in your medical care. I have included brief biographies on physicians who welcome new patients. You can view these physicians' online profiles at [kelsey-seybold.com/bios](https://kelsey-seybold.com/bios), where you can search for physicians by name, clinic location, medical specialty, and languages spoken. Your new Kelsey-Seybold physician will have immediate access to your medical history.

If you would like help in selecting your new Kelsey-Seybold allergist, call our **Patient Help Line at 713-442-1233** on weekdays between 8 a.m. and 5 p.m.

For prescription refills before your next appointment, ask your pharmacist to call the number on your prescription label, or visit [kelsey-seybold.com/prescriptionrefills](https://kelsey-seybold.com/prescriptionrefills).

Best wishes for your continued health.

Sincerely,
