

Grace Tyler, MD, FAAP
Pediatrician

Dear Parent or Guardian,

I am writing to let you know that Friday, July 28, will be my last day with Kelsey-Seybold Clinic. It has been my privilege to be your family's pediatrician.

I encourage you to establish care with one of my trusted Kelsey-Seybold pediatric colleagues. All Kelsey-Seybold pediatricians will have immediate access to your child's health history and medical record, and I have immense trust in the care they will provide your family.

I have included brief biographies for pediatricians caring for patients at Kelsey-Seybold's Clear Lake Clinic. You can also view their online profiles and search for a Kelsey-Seybold Pediatrician at any location by visiting **kelsey-seybold.com/bios** (search by physician name, location, specialty, or languages spoken). Additionally, we have hired a new pediatrician who will be joining Clear Lake Clinic this fall.

If you would like help in selecting your new Kelsey-Seybold pediatrician, call our Patient Help Line at 713-442-1233 on weekdays between 8 a.m. and 5 p.m.

Transitioning your child's care to a Kelsey-Seybold pediatrician is easy, and once you transition care for your child, their pediatrician will have immediate access to their medical history and notes.

For prescription refills before your child's next appointment, ask your pharmacist to call the number on your prescription label, or visit **kelsey-seybold.com/prescriptionrefills**.

If you wish to seek care outside of Kelsey-Seybold, you will need to obtain your child's medical record by calling the Medical Records Department at 713-442-5700 and filling out a Release of Healthcare Information Form.

Thank you for trusting me with your child's care.

Sincerely,

Grace Tyler, MD, FAAP
