Family Medicine

Dear Patient,

I am writing to inform you **April 22, 2024**, is my last day with Kelsey-Seybold Clinic, as I will be retiring. It has been an honor and privilege to be your primary care physician, and I have enjoyed the relationship we have built over the years.

Continuing your medical care is important. I encourage you to choose your new primary care physician without delay. Kelsey-Seybold will make every effort to ensure there is little interruption in your medical care.

I have included brief biographies on physicians who are accepting new patients. You can view these physicians' online profiles at **kelsey-seybold.com/bios**, where you can search for physicians by name, clinic location, medical specialty, and languages spoken.

If you would like help in selecting your new Kelsey-Seybold primary care physician, call our **Patient Help Line** at **713-442-1233**. If you are a KelseyCare Advantage member, call **KCA Member Services** at **713-442-2273** for help in selecting your new primary care physician. You can call both lines weekdays between 8 a.m. and 5 p.m.

Transitioning your care to a Kelsey-Seybold primary care physician is easy, and once you transition your care, your new primary care physician will have immediate access to your medical history and notes.

If you wish to seek care outside of Kelsey-Seybold, you will need to obtain your medical record by calling the Medical Records Department at 713-442-5700 and filling out a Release of Healthcare Information Form.

For prescription refills before your next appointment, ask your pharmacist to call the number on your prescription label, or visit **kelsey-seybold.com/prescriptionrefills**. Best wishes for your continued health.

Sincerely,

Jaesoon Hite, MD
