Gastroenterology

Dear Patient,

I am writing to inform you that Friday, December 1, will be my last day with Kelsey-Seybold Clinic, as I will be retiring. It has been an honor and privilege to be your physician over the years and I have enjoyed the relationship we have built.

Continuing your medical care is important. I encourage you to choose your new gastroenterologist without delay.

Kelsey-Seybold will make every effort to ensure there is little interruption in your medical care. I have included brief biographies on gastroenterologists who are welcoming new patients. You can view these physicians' online profiles at kelsey-seybold.com/bios, where you can search for physicians by name, clinic location, medical specialty, and languages spoken.

If you would like help in selecting your new Kelsey-Seybold gastroenterologist, call our Patient Help Line at 713-442-1233, on weekdays between 8 a.m. and 5 p.m.

Transitioning your care to a Kelsey-Seybold gastroenterologist is easy. Once you transition your care, your new physician will have immediate access to your medical history and notes.

If you wish to seek care outside of Kelsey-Seybold, you will need to obtain your medical record by calling the Medical Records Department at 713-442-5700 and filling out a Release of Healthcare Information Form.

For prescription refills before your next appointment, ask your pharmacist to call the number on your prescription label, or visit kelsey-seybold.com/prescriptionrefills.

Best wishes for your continued health.

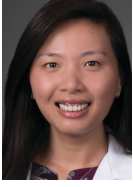

Sincerely,
