

Magda Ragab, MD, FAAP
Pediatrician

Dear Parent or Guardian,

I am writing to let you know that Friday, July 28, will be my last day with Kelsey-Seybold Clinic. It has been an honor and privilege to be your family's pediatrician.

I encourage you to establish care with one of my trusted Kelsey-Seybold pediatric colleagues. All Kelsey-Seybold pediatricians will have immediate access to your child's health history and medical record, and I have immense trust in the care they will provide your family.

I have included a brief biography for Dr. Marina Ramirez, who is welcoming new patients at our Kelsey-Seybold's Meyerland Clinic. You can view her detailed profile at kelsey-seybold.com/bios, where you can also search for physicians by name, clinic location, medical specialty, and languages spoken.

If you would like help in selecting your new Kelsey-Seybold pediatrician, call our Patient Help Line at 713-442-1233 on weekdays between 8 a.m. and 5 p.m.

For prescription refills before your child's next appointment, ask your pharmacist to call the number on your prescription label, or visit kelsey-seybold.com/prescriptionrefills.

If you wish to seek care outside of Kelsey-Seybold, you will need to obtain your child's medical record by calling the Medical Records Department at 713-442-5700 and filling out a Release of Healthcare Information Form.

Thank you for trusting me with your child's care.

Sincerely,

Magda Ragab, MD, FAAP
