

Marina Ramirez, MD, FAAP
Pediatrics

Dear Patient,

I am writing to inform you **April 30, 2024**, will be my last day at Kelsey-Seybold Clinic, as I will be retiring after 35 amazing years of caring for my patients. It has been an honor and privilege to help so many young people as their pediatrician over the years.

Continuing medical care is important. I encourage you to select a new pediatrician without delay. Once you select and schedule an appointment with your new Kelsey-Seybold pediatrician, they will have access to your child's medical history, including prescription medications, labs and test results, and health history information.

I have included biographies of pediatricians who are welcoming new patients. You can view any of their online profiles at **kelsey-seybold.com/bios**, where you can search for physicians by name, clinic locations, medical specialty, and languages spoken.

If you would like help in selecting your new Kelsey-Seybold pediatrician, call our **Patient Help Line** at **713-442-1233**. If you are a KelseyCare Advantage member, call **KCA Member Services** at **713-442-2273** for help in selecting your new pediatrician. You can call both lines weekdays between 8 a.m. and 5 p.m.

If you need prescription refills before your next appointment, ask your pharmacist to call the number on your prescription label, or visit your MyKelsey account or **kelsey-seybold.com/prescriptionrefills** to request a refill.

Best wishes for your continued health.

Sincerely,

Marina Ramirez, MD, FAAP

Pediatric Physicians Welcoming New Patients

Meyerland Clinic

Tam Phan, MD, MBA, earned her medical degree in 2016 at Texas Tech University Health Sciences Center. Dr. Phan completed her Pediatrics residency through the McGovern Medical School at the University of Texas Health Science Center at Houston (UTHealth) in 2019, joining Kelsey-Seybold later that same year.

Meyerland Clinic is excited to announce that we have a new pediatrician joining the clinic this summer.

West University Clinic

Kailey Graybill, MD, obtained her medical degree from McGovern Medical School at the University of Texas Health Science Center at Houston (UTHealth) in 2020. Dr. Graybill completed a residency in Pediatrics at Children's Hospital of Oklahoma in 2023 and joined Kelsey-Seybold Clinic later that same year.

Debra Luben, MD, earned her medical degree from the University of Missouri Medical School and completed her residency at Baylor College of Medicine. Dr. Luben joined Kelsey-Seybold in 1999.

If you wish to seek care outside of Kelsey-Seybold, you will need to obtain your medical record by calling the Medical Records Department at 713-442-5700 and filling out a Release of Healthcare Information Form.
