Allergy

Dear Patient,

I am writing to let you know that Friday, December 15, will be my last day with Kelsey-Seybold Clinic. It has been an honor and privilege to be your Allergist.

Continuing your medical care is important. I encourage you to choose your new allergist without delay. I have included brief biographies on physicians who welcome new patients. You can view these providers' online profiles at **kelsey-seybold.com/bios**, where you can search for physicians by name, clinic location, medical specialty, and languages spoken.

If you would like help in selecting your new Kelsey-Seybold Allergist, call our Patient Help Line at 713-442-1233 on weekdays between 8 a.m. and 5 p.m.

Rest assured that your new Allergy specialist will have immediate access to your medical history and notes, and Kelsey-Seybold will make every effort to ensure there is little interruption in your medical care.

If you wish to seek care outside of Kelsey-Seybold, you will need to obtain your medical record by calling the Medical Records Department at 713-442-5700 and filling out a Release of Healthcare Information Form.

For prescription refills before your next appointment, ask your pharmacist to call the number on your prescription label, or visit **kelsey-seybold.com/prescriptionrefills**.

Best wishes for your continued health.

Sincerely,

*Nicole Canon, MD*
