Dear Patient,

It is with mixed emotions that I announce my retirement from Kelsey-Seybold Clinic effective **May 6, 2024**. It has been a tremendous pleasure providing for your healthcare needs over the years, and I am so grateful for the trust you've placed in me as your primary care physician. Caring for my patients has brought me a great source of satisfaction and joy over the last 27 years. I will miss observing your progress and hearing your stories about you and your family, and you will remain in my thoughts and prayers.

Continuing your medical care is important, so I encourage you to choose your new primary care physician without delay. Transitioning your care to a Kelsey-Seybold primary care physician is easy, and your new primary care physician will have immediate access to your medical history and notes. Kelsey-Seybold will make every effort to ensure there is little interruption in your medical care.

I've enclosed a list of Meyerland physicians who will be happy to manage your health care needs. You can view these physicians' online profiles at **kelsey-seybold.com/bios**, where you can search for physicians by name, clinic location, medical specialty, and languages spoken.
