

Son Hoang, MD
Family Medicine

Dear Patient,

I am writing to inform you **May 17, 2024**, will be my last day at Kelsey-Seybold Clinic, as I will be retiring after more than 20 amazing years caring for my patients here. It has been an honor and privilege to be your primary care physician, and I have enjoyed the relationship we have built over the years.

Continuing your medical care is important. I encourage you to select a new primary care physician without delay. Once you select and schedule an appointment with your new Kelsey-Seybold primary care doctor, they will have access to your medical history, including prescription medications, labs and test results, and your health history information.

I have included biographies of physicians who are welcoming new patients at our Fort Bend Campus (formerly named Fort Bend Medical and Diagnostic Center). You can view any of their online profiles at **kelsey-seybold.com/bios**, where you can search for physicians by name, clinic locations, medical specialty, and languages spoken.

If you would like help in selecting your new Kelsey-Seybold primary care physician, call our **Patient Help Line** at **713-442-1233**. If you are a KelseyCare Advantage member, call **KCA Member Services** at **713-442-2273** weekdays from 8 a.m. to 5 p.m. for assistance in selecting your new primary care physician.

If you need prescription refills before your next appointment, ask your pharmacist to call the number on your prescription label, or visit your MyKelsey account or **kelsey-seybold.com/prescriptionrefills** to request a refill.

Best wishes for your continued health.

Son Hoang, MD
