Dear Patient, Parent, or Guardian,

I am writing to let you know that **Friday, February 9**, will be my last day with Kelsey-Seybold Clinic, as I will be relocating to another city with my family. It has been my privilege to be your family's pediatrician.

I encourage you to establish care with one of my trusted Kelsey-Seybold pediatric colleagues. All Kelsey-Seybold pediatricians will have immediate access to your child's health history and medical record, and I have immense trust in the care they will provide your family.

I have included brief biographies for pediatricians caring for patients at nearby Kelsey-Seybold Clinic locations. You can also view their online profiles and search for a Kelsey-Seybold pediatrician at any location by visiting **kelsey-seybold.com/bios** (search by physician name, location, specialty, or languages spoken).

If you would like help in selecting your new Kelsey-Seybold pediatrician, call our Patient Help Line at **713-442-1233** on weekdays between 8 a.m. and 5 p.m.

Sincerely,

Yen Nguyen, DO, FAAP
