

We're Here for YOU!

Immediate Care and Screening for COVID-19 Symptoms

24/7 HERO Hotline • 713-442-HERO (4376)

Kelsey-Seybold's dedicated COVID-19 response team of nurses and doctors are available 24/7 to offer Video Visits and Phone Visits to first responders during this difficult time.

WHO:

First responders and City department personnel on the frontlines:

- Police officers
- Firefighters
- Healthcare workers
- Paramedics
- Dispatchers
- Health Department staff
- Public Works staff
- Solid Waste staff
- Parks and Recreation staff

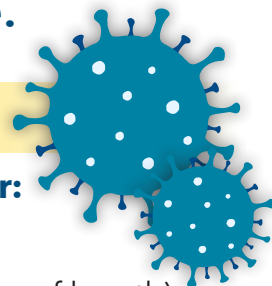

Available to current Kelsey-Seybold first responder patients and first responders who have never been to Kelsey-Seybold.

WHAT:

COVID-19 Care Available for:

- COVID-19 symptoms (fever, cough, and shortness of breath)
- Respiratory issues
- Or any other issues that may appear COVID-19-related.

HOW:

Care will be delivered via a **Video Visit** on your smartphone, tablet or computer, or a **Telephone Visit** can also be conducted.

COST: \$0

Visits are available to first responders covered by all health plans accepted by Kelsey-Seybold. If medically appropriate, you may be referred for COVID-19 testing. Your physician will recommend a treatment plan to help treat your symptoms.
