## What Our PATIENTS Are Saying

"My doctor introduced me to MyKelseyOnline during my appointment. He said once my test results were in, I could view them online. So I registered and noticed all the things I was capable of doing without leaving my house: refill prescriptions, email my doctor and check my lab results."  
~J.P.

"I appreciate the appointment reminders. The fact that I can access MyKelseyOnline during my work breaks, or any time I want, is another advantage."  
~Cheryl

"I love the new app. I can schedule appointments for my daughter any time I want – right from my iPhone."  
~K.W.

MyKelseyOnline:  
**Private,  
SECURE and  
Confidential**

To protect patient confidentiality, you are required to provide your Social Security number and answer security questions to confirm your identity when you sign up for MyKelseyOnline. These questions are provided by a secure third-party service with direct access to various public information sources. The presentation of questions and responses are all secured with 128-bit encryption.

## Download the free app today!

Downloading the free app to your smartphone is easy. MyKelseyOnline is powered by the Epic MyChart app. Follow these steps to start using the free app:

## 3 Easy Steps

1. Android users can download the MyChart app in the Google Play store and Apple users can download the app from within the App store. Simply search for **MyChart**.
2. When prompted to search for your medical provider, scroll down to Kelsey-Seybold Clinic and MyKelseyOnline.
3. When you click on the MyChart icon, you'll automatically go to the MyKelseyOnline login page. Your user ID and password will be the same.

Once you download the free MyChart app, you will have full access to your MyKelseyOnline account and scheduling appointments.
