Mobile-Arrival

Mobile-Arrival utilizes geolocation features on iOS and Android devices to detect when you arrive for your appointment. This will be available 30 minutes prior to your scheduled arrival time

- For example, your appointment time is 9:00am with a 8:45am arrival time. You can check in no earlier than 8:15am.

The following prerequisites must be completed prior to beginning Mobile-Arrival:

- Pre Check-In
- MyKelsey Online mobile application downloaded onto a device
- Application settings with location services set to Always On and push notifications activated
- MyKelsey Settings with Appointment Arrival set to On.

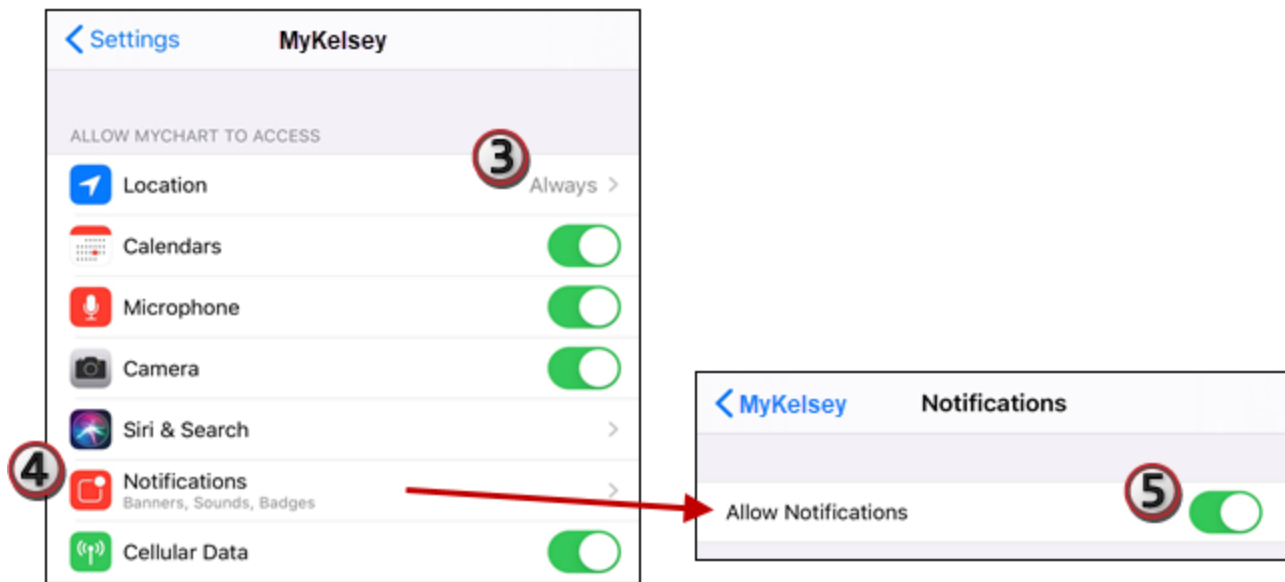

Mobile-Arrival settings

Depending upon your mobile device, the steps below may be slightly different than listed.

Apple iOS MyKelsey application settings

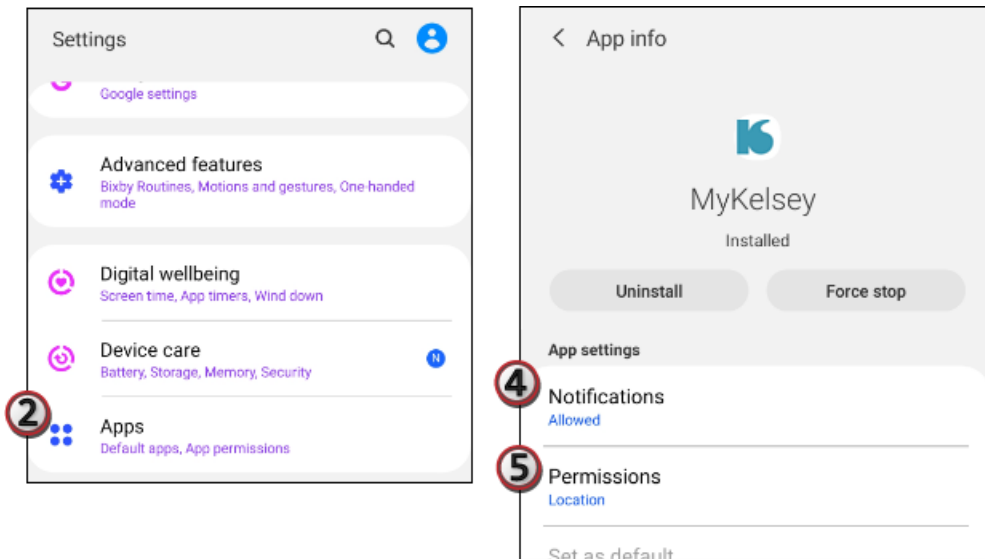

1. Tap your device's **Settings**.
2. Select **MyKelsey**.
3. **Location** should be set to **Always**.
4. Tap **Notifications**.
5. Select **Allow Notifications** to activate.

Android MyKelsey application settings

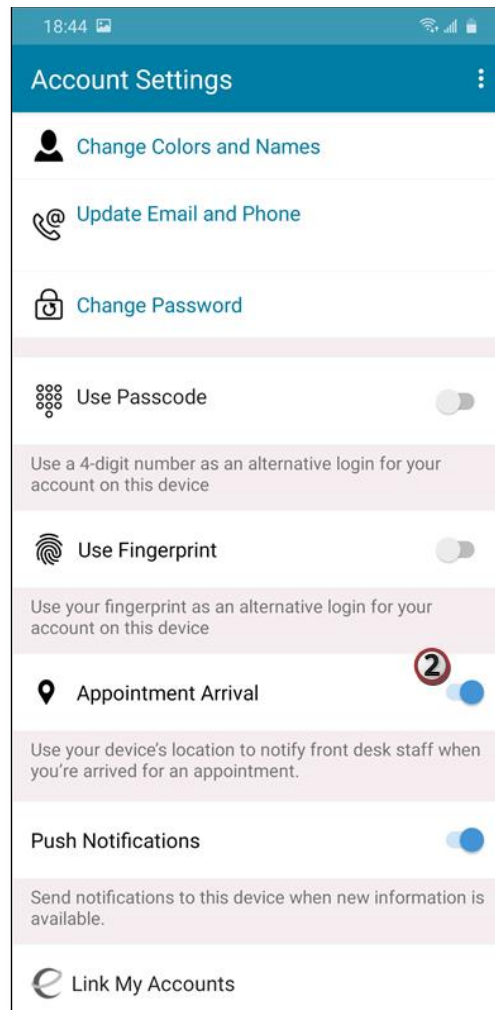

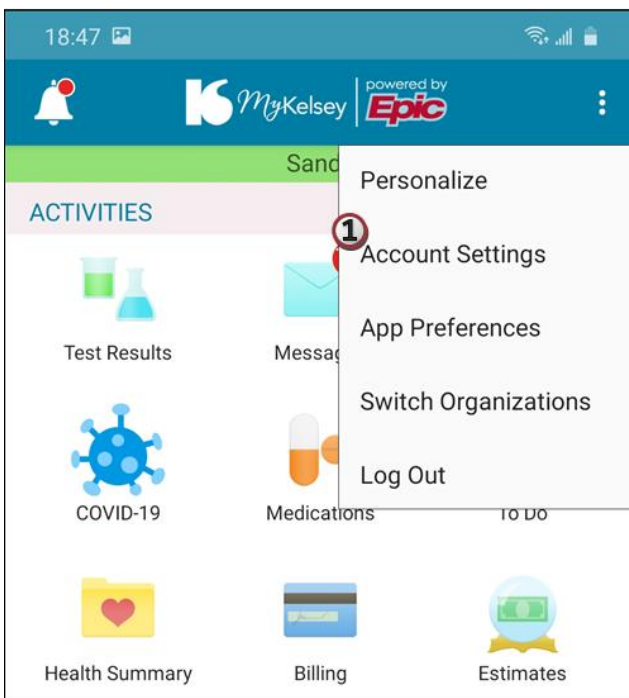

1. Open your device's **Settings**.
2. Navigate to your **Apps** settings.
3. Select **MyKelsey**.
4. Select appropriate field to make notifications allowed.

5. Select appropriate field to make location allowed.

Appointment Arrival

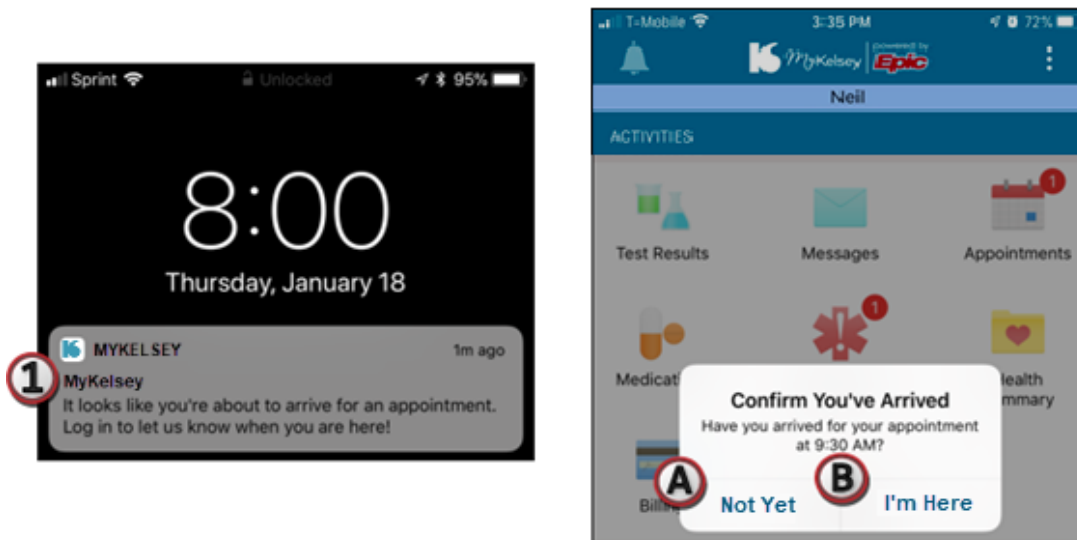

1. From the MyKelsey mobile app, tap  and select **Account Settings**.
2. Select Appointment **Arrival** to activate.

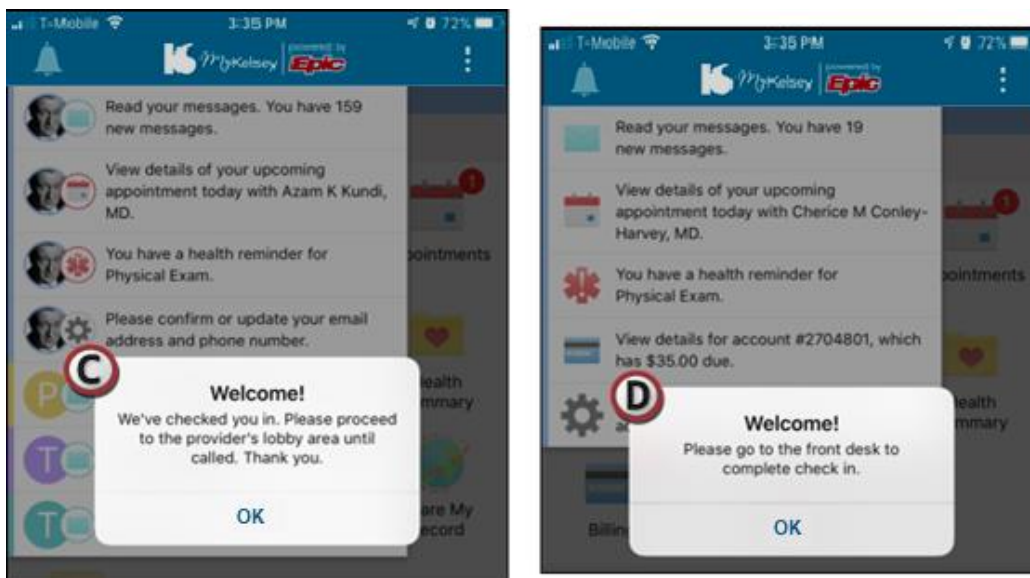

Arriving for your appointment

If you have completed all check in tasks ahead of time, you can be checked in without visiting the front desk.

1. With push notifications active, tap the MyKelsey notification. This will take you to MyKelsey Online mobile app.
 - A. If you have not arrived for your appointment, tap **Not Yet**.
 - B. If you have arrived for the appointment, tap **I'm Here**.
 - When all pre-requisites have been completed, you will be prompted to proceed to the provider's lobby area until called. Tap **OK**.
 - If all pre-requisites have been not been completed, you will be prompted to go to the front desk to complete check in. Tap **OK**.

2. Once you have completed Mobile-Arrival, you will receive one of the following messages:
 - C. We've checked you in. Please proceed to the provider's lobby area until called. Thank you
 - D. Please go to the front desk to complete check in.

Frequently Asked Questions

Q: I have completed Mobile-Arrival. Do I still need to check in with the front desk?

A: Maybe. Depending upon your account settings, it may be necessary to go to the front desk. Your Mobile-Arrival prompt will notify you of necessary next steps.

Q: Will I receive an appointment reminder?

A: All appointments will receive an appointment reminder 2 days and 2 hours prior to the appointment. If you do not receive these texts, you may have opted out to receive text communications from Kelsey-Seybold Clinic.

Q: I have multiple appointments in 1 day. Do I need to see the front desk if I have Mobile-Arrived for the first appointment?

A: You do not have to go to the front desk; however, you will need to open the MyKelsey mobile application to trigger the Mobile-Arrive for a subsequent appointment.

Q: Can I complete my Pre Check-In after I arrive at the clinic?

A: It is recommended to complete the Pre Check In prior to arriving at the clinic location.
