

Kelsey-Seybold Clinic®

Changing the way health cares.™

Tony Lin, M.D.
**Chairman of the Board of Managers and
Managing Director**

Tony Lin, M.D., joined Kelsey-Seybold Clinic in 1993 and is Kelsey-Seybold's Chairman of the Board of Managers and Managing Director. Dr. Lin has been part of Kelsey-Seybold's senior leadership team for over 20 years and has played an integral role in the multispecialty group's development as an accredited Accountable Care Organization (ACO). In 2012, the National Committee for Quality Assurance (NCQA) named Kelsey-Seybold the first "Accredited Accountable Care Organization" in the United States.

Dr. Lin strategically developed Kelsey-Seybold Hospitalist Services as a key component of the company's accountable, coordinated care delivery. Today, the hospitalist program offers comprehensive Electronic Medical Records communication, a fully developed network of Kelsey-Seybold and affiliate hospitalist physicians, a fully developed hospital network in the Greater Houston area, and post-discharge transition services.

Today, Dr. Lin leads an accomplished executive management team that includes established administrative and medical professionals dedicated to the continued growth of Kelsey-Seybold Clinic. Dr. Lin and his team are committed to "Changing the way health cares" by evolving the way the clinic achieves better quality, better value, and a better experience for patients – this trifocal aim is referred to as the "Triple Aim."

Dr. Lin played an integral role guiding the team tasked with developing and implementing Kelsey-Seybold's Virtual Health services, which helps improve care and reduce total medical cost for patients enrolled in a Kelsey-Seybold value-based plan like KelseyCare or KelseyCare Advantage.

Dr. Lin is a graduate of Baylor College of Medicine and completed his residency training in Internal Medicine at Baylor College of Medicine-affiliated hospitals. He is board certified in Internal Medicine and a Diplomate of the American Board of Internal Medicine.

Dr. Lin serves on the board of directors for Catholic Health Initiatives, Texas Division and enjoys volunteering with his friends and co-workers at various community events. He previously served as a member of the board of directors for Kelsey-Seybold Clinic for nine years. He grew up in Houston where he attended HISD schools and developed a strong sense of community. He loves the Houston Astros and is an avid fan of all Houston-based sports teams!
