COVID-19 Precautions & Prevention

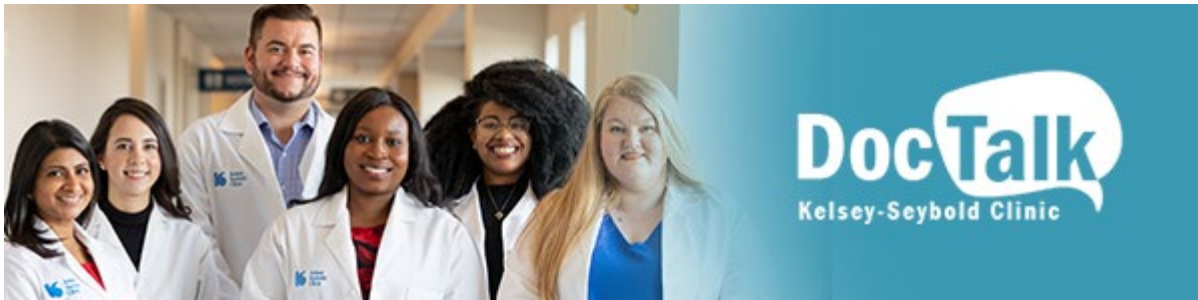

MyKelseyOnline

At KelseyCare, we want to ensure our members have access to quality care and that our communities are safe as we deal with the coronavirus (COVID-19). We have taken immediate steps to promote the health, safety, and well-being of ALL our patients.

COVID-19 resources for brokers and employers are available online and include:

- Broker, employer, and member communications
- Frequently asked questions
- Screening and care options, updates, and important information

We're Still Here for You

In response to the coronavirus outbreak, our sales team has temporarily changed the way we engage with our brokers and employer groups by moving to online or phone meetings. While we have made this adjustment, our commitment to provide services to our members and customers is unchanged.

Thank you for your help in keeping our members and our communities safe. We're here to answer any questions you may have.
